SALE NUMBER 61
CLOSING DATE
March 13 - 14, 1985

TERMS OF SALE
(Please Read Carefully)

1. BIDS BY MAIL or PHONE will be accepted until the closing date. All phone bids must be confirmed in writing on a bid sheet. Bids are treated as LIMITS. Bids are reduced where competition permits to within 5% of the second highest bid. In the case of tie bids, the first received is normally given preference. No "buy" or unlimited bids are accepted. Bids are accepted by lot number only. No lots are broken up. Bids are only executed in even dollar amounts.
2. This sale is NOT an approval sale. All material offered is guaranteed genuine and as described. Careful examination has been made of every lot by experts. Cataloging errors will be cheerfully and promptly corrected. FLOOR BIDDERS MAY NOT RETURN ANY LOTS including those purchased while acting as agents. All claims for adjustment by other bidders must be made within five days of receipt but in no case more than 45 days after a sale. As the auction house acts as an agent for various consignors, NO CLAIMS OF ANY KIND can be considered after settlements have been made. If a claim is not made within this 45 day period, no lots are returnable for any reason at any time. If we are notified prior to our settlement date that an opinion of condition, alteration or authenticity is being sought, the matter will remain open until such opinion is rendered. Lots are not shipped until paid for. Therefore, late payment will negate a return privilege. Any returned lot must be in its original holder with seal intact.
3. Successful bidders are required to pay the full invoice amount before lots are delivered. Previously established lines of credit, at the sole option of the auctioneer, may not be honored unless arrangements for this sale have been specifically agreed to in writing by the auctioneer. Please contact us in advance if you have any questions regarding your purchasing plans. First rate credit references or a 25% deposit are necessary to insure entry of your bids. Any portion of such a deposit not used will be promptly refunded after the sale.
4. A 10% buyer's charge will be added to the successful bid price of each lot. This 10% buyer's charge will be added to the invoice of each successful bidder without exception, and is payable by the buyer as part of the total purchase price. Additionally, 1½% monthly interest is charged on all accounts 30 days past due calculated from the sale date. If any awarded lots are still on hand without a deposit 30 days after a sale, they will automatically be offered to the underbidders or relisted in the next available sale. The difference in price will be billed to the former top bidder. Late payers should not expect to receive future catalogs.
5. TERMS OF THIS SALE ARE STRICTLY CASH AND MUST BE PAID PROMPTLY IN U.S. FUNDS. Payment should be made immediately upon receipt of the invoice. Payments from foreign accounts must be made in U.S. Dollars by International Check drawn on a U.S. bank or by wire transfer to the account of Joseph L. Lepczyk, c/o East Lansing State Bank. As a convenience, invoices may be charged to VISA or MasterCard accounts provided the purchaser agrees to pay an additional 2½% handling charge. Please supply account number, signature and expiration date at the bottom of your Bid Sheet.
6. POSTAGE, INSURANCE and/or handling fees are added to ALL SHIPMENTS. All lots to be mailed to addresses not in the United States of America or its Territories, are charged an additional 1% insurance fee unless insurance is provided by the bidder. Overseas bidders must supply full detailed shipping instructions and agree to all terms as listed herein before shipment is made. We normally use registered air mail with return receipts and green custom tags on overseas shipments.
7. SALES TAX will be collected under the laws of the state in which the sale is conducted unless a valid resale number is presented.
8. TITLE TO ALL LOTS REMAINS WITH THE AUCTION HOUSE until payment in full is received. The auction house reserves the right to accept or reject any or all bids at its discretion. Generally, bids below 50% of estimate will not be accepted. By placing a bid in this sale, you agree that this agreement is made in Michigan by the auction house's entry of your bid, and that disputes concerning the agreement shall be decided by the application of Michigan law. In the event of a dispute or nonpayment, the auction house may elect to proceed judicially, in which case the bidder consents to jurisdiction and venue in the courts of Ingham County, Michigan. If an account is referred to an attorney for collection, the buyer agrees to hold the auction house harmless and to indemnify it for all costs of collection, including actual, reasonable attorney's fees, with interest as provided in Paragraph 4 accruing on the entire amount until paid.
9. BIDDING IN THIS AUCTION SALE CONSTITUTES ACCEPTANCE BY THE BIDDER OF ALL THE FOREGOING TERMS OF SALE.

HOT AIR PAGE

Welcome to our Annual March Sale. Once again, it is being held in the Windy City just prior to the Chicago International Coin Fair (CICF), the largest World Coin Convention in the Nation.

As you review the material offered in this catalog, you will note that a wide variety of rare coins, paper money, tokens and medals are available covering the international numismatic spectrum. This sale is especially rich in Ancient coinage, U.S. Type material, Canadian Tokens, quality World Crowns and Minors, not to mention the Judaic and Olympic Medal offering. It is our hope that you will find something of interest since there is virtually something for everyone in this current sale.

Looking back on our sales of 1984, we have made a few policy changes in the form of material we will offer in future sales. Numismatic Literature and Medals are becoming increasingly expensive for us to catalog and publish due to the amount of time involved in describing and the space required for their listing. At the present, we will no longer accept consignments of Numismatic Literature and Medals. Those items which are currently on hand will be listed in an upcoming sale.

We are accepting consignments of quality United States, Canadian, World Crowns and Minors plus Ancients for our upcoming scheduled Public Auction Sales. Over 800 bidders participate in each of our sales, and continue to be active buyers for all types of quality key and common date coinage. We are especially interested in securing quality United States material for auction. Our commission rates are as low as 10%, with an early settlement of 30 days after the sale on all lots sold to floor bidder. If you have a single coin or a complete collection that you have been considering selling outright or selling through auction, please give us a call for complete details.

Our next major floor sale will be held in May at a location in the Midwest, which we will announce shortly. Consignments for this sale will be accepted through March 18, 1985 at the bourse table of Beach & Lepczyk Associates or at our office by registered and insured mail. If you have any questions, please feel free to contact us.

As a personal note, Joe will be on a much needed and deserved vacation for a period of time. While Joe is off relaxing, the Lepczyk staff will be busy gathering consignments and working on our upcoming midwest May sale, plus preparing future sales.

We welcome your participation in our present sale as well as in the future. If you would like additional information on any lot in this sale, just give us a call.

Best Wishes from the Staff at J.L. Lepczyk Auctions, Ltd.
